2. KFC will open the Technical proposal first. The firms which completely meet the above eligibility criteria shall be considered to be technically qualified. The 'Financial Bid' of the technically qualified arranger will be opened thereafter.
3. Final selection would be done on the basis of lowest bid (L1), wherein an eligible and technically qualified bidder who has quoted the lowest 'IRR' would be designated as L1.
4. The coupon rate shall be firm till the targeted amount (base issue size) is mobilized.
5. KFC may, at its sole discretion, select such number of arrangers other than L1, as necessary, for ensuring that the minimum amount committed by the selected arrangers matches the base issue size at L1 price.
6. All offers would be tabulated in chronological manner i.e., L1, L2, L3 and so on, after that bidders would be informed accordingly. If L1 offer is not for full base issue amount, KFC may ask L1 bidder to increase its commitment amount upto base issue amount and 15 minutes will be provided to the L1 bidder to increase the commitment amount. In case L1 bidder doesn't increase commitment amount, KFC will ask other bidders to match L1 rate in chronological manner and 15 minutes will be provided to match the L1 rate to each subsequent bidder.

10. In case the base issue size is not met at the L1 rate even with one or more arrangers, then KFC will arrive at a rate and give chance to all the selected bidders to match that rate and the issue will be divided equally among the bidders who agree to that rate. Under this option KFC has the right to refix the base issue size if required.
11. The total commitment amount under the RFP shall be for the base issue size of Rs. 200 Crore. The green shoe option of Rs. 200 crore shall be exercised by KFC at its discretion on the EBP portal. Only the selected arrangers can exercise the green shoe portion at EBP and this would be at the same fees and for the amount mobilized and allotted at the EBP.
12. If any offer is received from the arrangers for an amount less than the minimum commitment amount prescribed in the tender, the same will be rejected.
13. To get arrangership to the issue, the firm has to give minimum commitment of Rs.50 crore. Any firm who is not giving the minimum commitment will not be part of the issue and will not be paid any fee.

14. In case of any dispute, the decision of the MD, KFC shall be final and binding on all parties.
